Flint Tavern redefines potato snacks with two modern formats made for pure enjoyment — ultra-thin wavy chips and crispy potato sticks. Crafted from selected potatoes and cooked in sunflower oil, they deliver rich potato flavor, light texture, and the perfect crunch from the very first bite. The wavy chips combine delicate thinness with a satisfying crispy texture, while the potato sticks offer a golden crunch in a convenient snackable format.

Created for sharing, city walks, road trips, movie nights, and spontaneous moments with friends, Flint Tavern is more than a snack — it’s a stylish everyday pleasure. Bold taste, quality ingredients, and a crunch you’ll want to come back to again and again.

BigBob

Crunch peanuts

Crunch - peanuts in a crispy shell, unique in its kind product that has managed to win the love of consumers all over the world. Today, crunch is not just a delicious snack, it is an opportunity to double the pleasure of peanut flavor, by adding the crispy taste of Wasabi, “Sweet Chili Pepper, Veal with Adjika, and Cheese. “BIG BOB” crunchies are a fashionable novelty on the packaged nuts market in Ukraine. Nuts in Ukraine from a well-known snack food manufacturer.

For the first time, the production of crunches in Ukraine was organized on European equipment on a national scale. It is thanks to a specially developed technology production process, the crispy chip shell that covers the nut preserves and emphasizes the peanut flavor. That’s why crisps “BIG BOB” crisps meet the European level of quality and are significantly superior to their Ukrainian counterparts.

Selected peanuts, spices from the best foreign suppliers and a unique technology for applying the shell and roasting technology are the key to the success of the BIG BOB brand. Packaging with enhanced barrier properties ensures perfect preservation of the product, and the convenient packaging design makes it easy to enjoy “BIG BOB” even on the go! Today “BIG BOB” are represented by original hot flavors “Veal with Adjika, sweet Chili, Wasabi and Cheese. At the same time, the Veal with Adjika flavor is unique on the market of packaged peanuts in the shell is unique and can only be only in the BIG BOB crunch bars.

DO BOCHKOVOGO

Rye-wheat crutons

The youngest snack brand of the Star Brands Group, created to meet the rising demand for affordable yet high-quality snacks. “Do Bochkovoho” combines natural ingredients, modern production, and authentic Ukrainian flavor in every bite.

Product:
Rye Baguettes - crispy snacks made from real rye bread. Perfect with beer, appetizers, or as a quick bite.
Carefully baked and dried for rich taste, freshness, and crunch.

Rye-Wheat Croutons / Wavy Croutons - light, crispy, and full of flavor. The wavy shape gives extra crunch and holds more seasoning for those who love snacks with character.

Do Bochkovoho — the taste you always come back to!
